

TOWN OF SNOWMASS VILLAGE RECREATION COED SOFTBALL LEAGUE RULES

Updated June 2020

The Town of Snowmass Village offers a non-sanctioned softball league for the recreational enjoyment of the participants. The Town of Snowmass Village Parks & Recreation Department is the sole governing body of these leagues. The softball league shall follow the softball rules and code of conduct described in the A.S.A. & U.S.S.S.A. rule book. **All players participating in this program assume the liability of the inherent risks involved in this physical activity.**

PAYMENT: 100% of payment must be received by the first week of games

ROSTERS: Team rosters are unlimited; however, based on the current Public Health Order (June 2020), only up to 25 players may play in any organized adult sports game. Each team will be required to play no more than 12 players per game. All players MUST sign the roster/waiver prior to playing in any game. Players may only be listed on one roster. For COVID19 contact tracing, player participation will be tracked each week.

RULES AND UMPIRE'S DISCRETION: The league umpire will have the final say on all rule determinations. It is the team managers' responsibility to respect and abide by these decisions on their own behalf, as well as the behalf of all team members. Anyone not respecting these decisions may be subject to disciplinary action as determined by the Program Coordinator.

GAME RULES

BALLS/STRIKES: All balls and strikes will be called at the umpire's discretion. This league requires that any legal pitch must be above 6 feet and below 12 feet. Any pitches that do not meet these criteria will be called illegal by the umpire and counted as a ball. Strikes must be within these limits and contact home plate or the mat behind home plate without a swing by the batter, a swing and a miss by the batter, or foul ball.

COUNT: Every batter will start with a one ball and one strike count during their at bat. One courtesy foul ball will be awarded for each at bat.

PICK-UP PLAYERS: Teams may pick up players during regular season games. (Must be approved by both teams before game begins.) No pick-up players will be allowed during tournament games

TIME LIMIT: All games will consist of seven innings or a time limit of one hour (unless the score is tied at the end of seven innings.) The umpire will not start a new inning after 50 minutes have been played.

LINEUP: Lineups for each team must be submitted to the scorekeeper ten (5) minutes prior to the start of the game. Any player that arrives late will be placed at the end of the lineup.

SCOREKEEPING: Each team will be required to keep their own scorebook for when they are batting. The number of runs scored each half inning will be relayed and checked with the umpire's records. *Teams are recommended to keep score for the other team's runs scored as well to prevent score discrepancies.

10-RUN RULE: If at the completion of five (5) innings, one team is ahead by ten (10) or more runs, the game is officially over.

WEATHER CANCELLATIONS: If an in-progress game is cancelled due to weather, the winner will be the team leading after five (5) full innings of play, or if the leading team is ahead by 20 runs prior to five full innings of play. Any in-progress games cancelled that do not meet this criterion will not count.

ADDITIONAL HITTERS: There is no maximum of 12 batters for a team during each game. However, only ten (10) players may take a defensive position throughout the game. If additional hitters are used in co-ed games, there must be one male and one female hitter.

EXTRA INNINGS: In the event of a tie at the end of regulation time, the game will be played to its conclusion. (Starting with the top of the 8th inning or after time has expired, and each ½ inning thereafter, the offensive team will begin its turn at bat with the player who made the last out in the previous inning placed at second base with one out and the batter will begin with a 3 balls and 2 strikes count.) The batter will be allowed to hit one (1) foul ball.

RUNS: A run will not be scored if the third out of the inning is a result of: 1. The batter-runner being put out before legally touching first base. 2. A runner being forced out due to the batter becoming a batter-runner. NOTE: If there is no force out and run scores prior to a runner being called out on a time play, the run will count. 3. A runner-leaving base before the pitched ball reaches home plate or before the pitched ball is batted.

INFIELD FLY RULE: The infield fly rule will apply at the umpire's discretion. All players must understand that there is only one umpire positioned behind home plate, so determining if a fly ball is within the infield may be difficult.

HOME RUNS: These Home Run rules apply for Co-ed leagues:

1. Town of Snowmass Park: Each team is allowed three (3) home runs per game. The Town of Snowmass Village softball field does not utilize a fence, so home runs are defined as any time the batter advances around all four bases to home when a batted ball is in play. *This includes advancing on fielding errors where the ball does not go out of play. If the ball goes out of play due to an error, all runners are awarded one base. If the runner advances to home on a ball out of play, it does NOT count against the three home runs allowed.
2. Any home runs hit after the limit are considered outs at ALL levels of play.

THE BATTER: Batters will start with a one and one count and will be awarded one courtesy foul. Teams will be given one warning and on the second offense the batter will be called OUT.

1. **THE BASES:** A safety (double) first base will be used in all games. The safe base will be positioned so that the white portion is where first base would normally be (in fair territory) and the colored (red or orange) should be in foul territory. Any batted ball hitting the white portion should be fair and any ball hitting the red or orange part should be foul. On the initial throw to first base from the infield or outfield, the batter runner MUST touch the red or orange portion of the base. The defensive player MUST always touch the white portion. This rule is in effect only on the initial play at first base which does not include:
 - a. Returning to the base after over running.

- b. Running to second base when the ball is hit to the outfield.
- c. Re-tag to advance on a fly ball.

COURTESY RUNNER: The courtesy runner must be the last recorded out and must be entered prior to the first pitch to the next batter. The use of an ineligible courtesy runner will result in the removal of the runner from the base and an out being recorded on the player whom he or she replaced. A courtesy runner whose turn at bat comes while he or she is on base will be out. He or she will be removed from the base and come to bat. A second courtesy runner cannot be substituted at this time. A courtesy runner must be replaced by a runner of same gender.

FOUL BALL OUTS: In order for a foul to be caught by the fielding team for an out, the ball must arch higher than six (6) feet after being hit. This call is at the umpire's discretion.

SLIDING: Sliding is not required at any base and will be the choice of the baserunner. Any overly excessive or dangerous play will result in the runner being called out regardless of play outcome at the discretion of the umpire.

COED RULES:

1. Teams must start and finish the game with a minimum of three (3) women.
2. There is NO male dominance rule. A male or female may handle any play. Fielding positions will consist of a minimum of one man and one woman in the infield and outfield and one each pitching or catching.
3. Batting orders must alternate Male and Female batters for each at bat

COED LINE: The coed line is the painted arch in the outfield located past the infield dirt. Only one of the four outfielders may be stationed inside of prior to a pitch being hit. After the ball is put into play by being hit by the batter, other outfielders may advance in front of the coed line. An outfielder is not ever required to be inside of this line.

MALE WALK RULE: Any walk to a male batter will result in a two base award. The next female batter will have the opportunity to advance to first base without batting if she chooses. The female batter can elect to bat. If the female batter chooses to bat, the prior male will stay at first base.

THIS IS A RECREATIONAL LEAGUE: If for any reason a team is disadvantaged by players absent, teams can agree to any substitutions before the game. However, the opposing team has option to take the forfeit or play for the win. THIS MUST BE DECIDED WITH UMPIRE PRIOR TO THE START OF GAME.

The Recreation Department also reserves the right to shorten any league's season should prolonged inclement weather, unsafe conditions, or other factors jeopardize the use of the facilities, officials, or the score keeping staff. In such circumstances the existing standings will be used to determine the 1st and 2nd place winners.

TIE BREAKING RULES: Playoff seeding considerations will be based on overall win/loss percentage. In the event of a tie, the tiebreaker will be determined by the following criteria, in the following order:

- Rosters
 - Teams will submit a roster to the Program Coordinator. Only 12 players may participate in a game from the roster. Teams will need to coordinate which players will play on each day scheduled. Teams may not substitute players in during a game.
 - Example: A team with 15 on the roster may only play and bench a total of 12 players. The remaining 3 players will not be able to participate that day.
- Social Distancing
 - Players within the dugout area, and on the field, will keep a distance of 6ft between themselves unless members of the same household or workplace.
 - As plays are made at bases and home plate, players should resume the 6ft distance as soon as possible once the play is over.
- Masks
 - Face coverings are required to be worn outside whenever there is a risk of being within 6 feet of another person who is not of the same household for more than ten minutes.
 - Masks are required in the dugout area, for the umpire and catcher. Players will not be required to wear a mask on the field but will need to wear their mask when entering and occupying the dugout.
- Spectators
 - Spectators are strongly discouraged for adult sports.
 - If a spectator must, or feels compelled to, attend they will do so wearing face masks (unless consuming food and beverage) and maintaining a 6ft distance between non-household members.
 - Teams arriving prior to, and staying after, their game will station themselves separately from spectators and other teams to limit the size of the group as much as possible.
